HNA JEWELLERY

Introducing a new collection by emerging brand HNA Jewellery, 'The Bard' covers a range of unique jewellery designs, each based on a different Shakespeare play. Each piece is completely handmade and designed to present the theme of timelessness. Featured here is 'The Tempest' ring using mixed metals and stunning gemstones. For enquiries or more information please visit www.hnajewellery.co.uk

ELIZA BAUTISTA JEWELLERY

Jewellery is both an investment and a fashion statement so it should be extraordinary and unique. Each creation from designer-maker Eliza is hand-crafted just for you. Her contemporary, bespoke pieces are made with sterling silver and the finest gemstones, beads and crystals. A fusion of simple elegance, luxury, edge and trendiness, they are a perfect accent to any outfit - from casual to glam.
